

WORTHY PARK

EST. 1670

SINGLE ESTATE RESERVE

Established in 1670, the Worthy Park Estate is a true single estate rum. Every element of production, from cane harvest to bottling, takes place on the Worthy Park Estate in St. Catherine, Jamaica. Thousands of acres of our own sugar cane are the source for the molasses used during distillation in our 100% copper pot-still. Aged in a tropical environment for 6-10 years in once-used American White Oak, ex-bourbon barrels; this authentic Jamaican Rum showcases the unique complexity and distinctive taste of the Worthy Park rums.

VOLUME: 750 mL

ABV: 45%

APPEARANCE: Vibrant Gold

AROMA:

Bananas, baking spices, and vanilla giving way to tea and fennel.

TASTING NOTES:

Sweet toffee with a hint of black pepper, followed by brine, anise, nutmeg, and allspice. Overripe banana and mango. Medium length finish with cocoa nib and a whisper of oak and leather.

Worthy Park has so much aligned to be a great rum company. We have the cane fields, the sugar factory, and the distillery, all at the same location. "Cane field to glass" as they say. We also have 346 years of well-documented history and heritage that cannot be reproduced or fabricated. Finally, we have the origin, being Jamaica, world famous for many things, including rum. I feel grateful to have this foundation behind me to distill and blend truly great Jamaican Rum.

GORDON CLARKE

Co-Managing Director
