

ANGELISCO TEQUILA

REPOSADO

Angelisco is distilled in the highlands of Jalisco, by the Aceves family, who bring five generations of experience in agave cultivation. Made using 100% Blue Weber agave with no additives, Angelisco Reposado is distilled to 55% ABV, then mixed with water and aged for 9 months in used Heaven Hill barrels before being bottled at 40%. Angelisco is an exceptional tequila for sipping or cocktails.
