

BACK BAR PROJECT *LIMITED & SPECIAL EDITION PRODUCTS*

NOW AVAILABLE

Select your very own cask or barrel from one of Back Bar Project's premiere brands and have it individually bottled and personalized.

SINGLE CASK PROGRAM

Cognac Park is the premier brand from Distillerie Tessendier. Today, master blenders Lilian and Jérôme Tessendier (4th generation) oversee production, distilling and blending Cognacs that clearly express the terroir of four different growing regions.

SINGLE BARREL SERIES

Worthy Park is a distillery that is leading the charge toward creating unadulterated rums. This centuries old estate is known for their exceptional caliber of traditional Jamaican Pot Still rum. The pinnacle of the line is the Single Estate Reserve.

PRIVATE SELECTION SERIES

El Jolgorio is one of the most celebrated mezcal brands currently on the market, not only for its expressive flavor profiles and exacting quality of its mezcal producers but also for the wide variety it offers. Each private batch is unique.

LIMITED SELECTION PROGRAM

Located in the heart of the Pays de Bray region of Normandy, on the site of a 17th century castle, Domaine de Merval is a unique setting. The crown jewels of the domaine are its orchards, including a conservatory orchard containing 420 varieties of heirloom apples that are emblematic of the Pays de Bray region, in addition to 12 hectares of cider apples. Every aspect of calvados production takes place at the domaine's cidery and attached distillery.
