

ABOUT

Cognac Park is the premier brand from Distillerie Tessendier, founded by Gaston Tessendier in 1880. Today, master blenders Lilian and Jérôme Tessendier - 4th generation brothers - oversee production, with the goal of distilling and blending cognacs that clearly express the terroir of four different growing regions: Grande Champagne, Petite Champagne, Borderies, and Fins Bois. Each of our blends is created with purpose and vision, carefully balancing the nuances of the geography, climate, and aging conditions that are so important in cognac production.

COGNAC PARK

BORDERIES MIZUNARA 12 YEAR

This exquisite expression of Cognac Park Borderies Mizunara is a 'single cru' cognac finished in rare, highly sought after Mizunara oak casks from Japan. This cognac is crafted from vineyard to bottle by the Tessendier family, on its estate at Domaine du Buisson in the Borderies growing region of Cognac. The eau-de-vie was distilled then aged 12 years in French casks, made mainly from Limousin oak. After 10 months resting in new casks, the cognac was transferred to used casks. At the end of its aging period, the blend was finished for 9 months in new Japanese oak barrels, made from Mizunara wood. Aged exclusively in the humid Chai N°8 cellar, in the small town of Cognac, where only the best eaux-de-vie from the Tessendier estate are held to age.
