

BORDERIES MIZUNARA

5 YEARS

Mizunara is a rare variety of oak from Japan used to create barrels mostly used for aging Japanese whiskies. We apply a six month cask finish to a blend of single CRU cognac from the Tessendier family estate in the esteemed Borderies growing region.

TASTING NOTES

Vibrant, fresh aromas of apricot, ginger, and vanilla bean. Fresh apricot, fig and plum. Soft and round with fruit and spice notes of cinnamon and clove.
