### ABOUT COGNAC PARK

Cognac Park is the premier brand from Distillerie Tessendier, founded by Gaston Tessendier in 1880. Today, master blenders Lilian and Jérôme Tessendier- 4th generation brothers- oversee production, with the goal of distilling and blending cognacs that clearly express the terroir of four different growing regions: Grande Champagne, Petite Champagne, The Borderies, and Fins Bois. Each of our blends is created with purpose and vision, carefully balancing the nuances of the geography, climate, and aging conditions that are so important in cognac production.
