

## ABOUT

Cognac Park is the premier brand from Distillerie Tessendier, founded by Gaston Tessendier in 1880. Today, master blenders Lilian and Jérôme Tessendier - 4th generation brothers - oversee production, with the goal of distilling and blending cognacs that clearly express the terroir of four different growing regions: Grande Champagne, Petite Champagne, Borderies, and Fins Bois. Each of our blends is created with purpose and vision, carefully balancing the nuances of the geography, climate, and aging conditions that are so important in cognac production.

### COGNAC PARK

## VSOP PETITE CHAMPAGNE ORGANIC

### SINGLE CRU

Cognac Park reaffirms its commitment to a responsible, eco-conscious philosophy with this expression crafted exclusively from organically grown wines in the Petite Champagne CRU. Aged a minimum of four years in French oak barrels, this cognac is bottled without added coloring, sugar, or additives, allowing the terroir to speak for itself. Elegant and expressive, it reveals a harmonious balance of floral and fruity aromas, characteristic of Petite Champagne, followed by a supple richness and depth on the palate.

**AGE:** Minimum 4 years

**BLEND:** 100% Petite Champagne

**BARRELS:** Light toast

**APPEARANCE:** Radiant Gold

**AGING:** Six months in new French oak then transferred to used casks.

**ABV:** 40%

**VOLUME:** 700 ml

**TASTING NOTES:** Delicate floral notes of white flowers and apricot with honey. Soft and smooth on the palate, with peach, orange zest, and subtle vanilla, finishing with fruit and a touch of almond and oak.

**CERTIFIED USDA ORGANIC AND BIO**
