

## ABOUT

Cognac Park is the premier brand from Distillerie Tessendier, founded by Gaston Tessendier in 1880. Today, master blenders Lilian and Jérôme Tessendier - 4th generation brothers - oversee production, with the goal of distilling and blending cognacs that clearly express the terroir of four different growing regions: Grande Champagne, Petite Champagne, Borderies, and Fins Bois. Each of our blends is created with purpose and vision, carefully balancing the nuances of the geography, climate, and aging conditions that are so important in cognac production.

## COGNAC PARK XO FINE CHAMPAGNE CIGAR BLEND

### SINGLE CRU

Cognac and cigars have always been enjoyed together. In fact, many cognacs are described as having a cigar box or tobacco aromatic note. Thus, Maison Tessendier set out to make a Cognac that was unabashedly cigar-friendly, which means it's a Cognac of high intensity, with a big, fruity character. Much of that comes from aging; to create Park XO Cigar Blend, Distillerie Tessendier blends Cognacs from Grande Champagne and Petite Champagne that have been in the barrels with a medium toast, for a minimum of 25 years, predominantly in humid cellars.
