## ABOUT GIFFARD

Giffard Non-Alcoholic Liqueurs deliver the same robust, authentic flavors as their alcoholic counterparts, providing endless creations for professionals and the at-home mixologist. Giffard extracts essential flavors through traditional maceration techniques using French white wine vinegar. A proprietary process removes the vinegar notes on the nose and palate, while still evoking the sensation associated with sipping alcohol. Giffard Non-Alcoholic Liqueurs are ideal for everyone, whether you're the expert bartender or simply a mindful drinker looking for the highest quality non-alcoholic beverage offerings.

Giffard Non-Alcoholic Liqueurs contain preservatives and have a shelf-life of 18 months when unopened at room temperature. 5 months once open, refrigerate after opening.
