

NON-ALCOHOLIC LIQUEUR

GIFFARD NON-ALCOHOLIC GRAPEFRUIT

LIQUEUR | MADE IN FRANCE

Inspired by our extensive liqueur and syrup portfolio, we created an innovative line of Non-Alcoholic Liqueurs. Crafted using the same fruits and botanicals as our traditional liqueurs, flavors are extracted through classic maceration in French white wine vinegar. A proprietary process removes vinegar notes while preserving the sensation of sipping alcohol, resulting in a bright, balanced liqueur with vibrant aromatics and a rounded mouthfeel. Giffard Non-Alcoholic Grapefruit Liqueur allows bartenders to elevate alcohol-free cocktails with sophistication and distinctive flavor.
