

NON-ALCOHOLIC LIQUEURS

Drawing on five generations of tradition and know-how, using the same fruits and plants that are in our liqueurs, essential flavors are extracted through traditional maceration techniques using French white wine vinegar.

A proprietary process removes the vinegar notes on the nose and palate, while still evoking the sensation associated with sipping alcohol. What remains is a bright, non-alcoholic liqueur that brings balanced acid, robust aromatics, and a round mouthfeel to any cocktail. Giffard Non-Alcoholic Liqueurs enables bartenders to elevate their non-alcoholic cocktails and enrich beverage menus with a touch of taste, refinement, and individuality.
