

Tepache Sazón

TEPACHE SAZÓN PINEAPPLE

Tepache Sazón is an effervescent Mexican beverage made exclusively from pineapples, a dash of raw cane sugar, and cinnamon. Tepache Sazón is produced using our own recipe, in the coastal village of San Pancho, Nayarit. We crush and ferment locally grown, hand-harvested pineapples with an emphasis on freshness and ripeness. Crisp and refreshing, Tepache Sazón is bursting with real pineapple flavor and is the perfect crushable option for outdoor drinking or to pair with a plate of tacos.
