## LIMITED Single Barrel Series

## **ABOUT WORTHY PARK**

Established in 1670, Worthy Park Estate is one of the most historic sugar and rum producers in Jamaica. Every element of rum production, from cane harvest, to molasses production, fermentation, distillation, and bottling, takes place on the Estate. Thousands of acres of our own sugar cane are the source for the molasses used during distillation in our 100% copper double retort pot-still.

Worthy Park Estate named the 2023 Rum Producer of the Year by the International Wine & Spirits Competition.
