

WORTHY PARK

EST. 1670

SINGLE ESTATE RESERVE

ABOUT SINGLE ESTATE RESERVE

Established in 1670, the Worthy Park Estate is a true single estate rum. Every element of production, from cane harvest to bottling, takes place on the Worthy Park Estate in St. Catherine, Jamaica. Thousands of acres of our own sugar cane are the source for the molasses used during distillation in our 100% copper pot-still. Aged in a tropical environment for 6-10 years in once-used American White Oak, ex-bourbon barrels; this authentic Jamaican Rum showcases the unique complexity and distinctive taste of the Worthy Park rums.
